TOURNAMENT-READY® PLUS™
PELLETS with actosol®

Principal Functioning Agents

100.0%..Alkylpolyglucoside siloxane,
polyalkoxylate blend,
humic/fulvic acids, binders

Guaranteed Analysis

0.5%...Calcium (Ca)
0.5%.....Iron (Fe)

KEEP OUT OF REACH OF CHILDREN
WARNING

Causes skin irritation. Causes eye irritation.

First Aid

Call a poison control center or doctor/physician if you feel unwell and for further treatment advice.
If In Eyes: Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye. **If On Skin or Clothing:** Take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical advice/attention. **If Swallowed:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.

Underhill Item #: UHTRPLPEL

Net Contents: 16 x 8 Ounce (226 gm) Pellet

Label Code: UHTRPELACT-CS

For Golf Course Greens, Tees and Other Highly Maintained Turf Areas: Using available commercial in-line hose applicators, remove the plastic lid, insert the **TOURNAMENT-READY PLUS PELLETT with actosol** and the plastic jar into the reservoir of the hose-end applicator with the opening of the jar containing the pellet facing toward the flow of water. Secure the reservoir to the applicator and begin application. Inserting the jar with the pellet facing away from the water flow will slow the rate of erosion of the pellet thereby reducing the amount of wetting agent dispersed over time. This is an acceptable option for minimizing wetting agent use.

Use Rate: Place one pellet into an applicator. Apply 2 to 4 minutes per 1,000 sq. feet (100 sq. meters) of turfgrass. Treat weekly or as needed. Reapply **TOURNAMENT-READY PLUS PELLETT with actosol** as preventative treatment or follow-up maintenance in conjunction with regular turf management programs.

First Aid: Call a poison control center or doctor/physician if you feel unwell and for further treatment advice. **If In Eyes:** Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye. **If On Skin or Clothing:** Take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical advice/attention. **If Swallowed:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible.

Storage and Disposal: Do not store near heat or open flame. Store in original container. Keep container tightly closed. Keep in cool and dry environment. Do not reuse product containers. Dispose of contents/container in accordance with local/national regulations.

Net Contents: 8 Ounce (226gm) Pellet

Underhill Item #: UHTRPLPEL

TOURNAMENT-READY PLUS PELLETT with actosol contains two proven ingredients: **Tournament-Ready** and **actosol**. It is packaged in a convenient system for supplemental treatment of highly maintained turf areas. **Tournament-Ready** will effectively treat localized dry spot (LDS) in a range of soil types and turf varieties. Combined with **actosol**, this product will help alleviate stress by improving plant available nutrients, increase CEC and chelation of plant nutrients, improve photosynthesis, and aid soil in more moisture holding capacity. The combination of **Tournament-Ready** and **actosol** make an excellent choice for seed establishment starting with increased water-holding ability, increased nutrient availability and freeing up unavailable phosphorus.

DISCLAIMER OF WARRANTIES: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THE COMPANY MAKES NO OTHER WARRANTIES OR REPRESENTATIONS OF ANY KIND EXPRESS OR IMPLIED CONCERNING THE PRODUCT, INCLUDING NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND NO SUCH WARRANTY SHALL BE IMPLIED BY LAW. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. TO THE EXTENT ALLOWED BY LAW, THE COMPANY SHALL NOT BE LIABLE AND ANY AND ALL CLAIMS AGAINST THE COMPANY ARE WAIVED FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR EXPENSE OF ANY NATURE, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS OR INCOME. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability.
