

**solid metal**  
golf sprinkler nozzles

for **Rain Bird® Eagle 700 Series**  
(R700)

Full Circle, MIDRANGE/CLOSE-IN NOZZLE SET

## Installation Instructions

**Step 1 REMOVE FACTORY RANGE & REAR SPREADER NOZZLES.**

**Step 2 BY HAND, INSTALL PROFILE MID-RANGE OR CLOSE IN SPREADER INTO EITHER SPREADER NOZZLE PORT.**

**CLOSE-IN** - Align flat side of hex opposite the side stamped "B" with the wedge shaped key on the inside of the Eagle 700 plastic nozzle housing. Properly installed the side stamped "B" should be facing you.

**MID-RANGE** - Align any side of the hex with the wedge shaped key on the inside of the Eagle 700 plastic nozzle housing.

**Step 4 USE NEEDLE NOSE PLIERS**

to hold onto the opposing sides of the hex nozzle, pushing the nozzle completely into the EAGLE 700 nozzle housing.

**Step 5 RE-INSTALL RANGE NOZZLE.**
