

R70028-RG
MIDRANGE (RED)
CLOSE-IN (GRAY)

solid metal
golf sprinkler nozzles

for **Rain Bird® Eagle 700 Series** (R700)

Full Circle, MIDRANGE/CLOSE-IN NOZZLE SET

Installation Instructions

Step 1 REMOVE FACTORY RANGE & REAR SPREADER NOZZLES.

Step 2 INSERT FCI NOZZLES BY HAND, ALIGN & PUSH IN WITH INSERTION TOOL.

CLOSE-IN - Align flat side of hex opposite the side stamped "B" with the wedge shaped key on the inside of the Eagle 700 plastic nozzle housing. Properly installed, the side stamped "B" should be facing you.

MID-RANGE - Align any side of the hex with the wedge shaped key on the inside of the nozzle housing.

Step 3 VANE INSTALLATION

Insert the plastic vane into the mid-range nozzle by hand. Finish by pushing the vane all the way in with the Nozzle Insertion Tool.

Step 4 RE-INSTALL RANGE NOZZLE.
